Beech Grove Water System in KY selects the Harris' inHANCE Small Business With Quick Books Interface

We are pleased to announce that the Beech Grove Water System in KY has selected the Harris' inHANCE Small Business (ISB) system along with the Quick Books Interface. Harris, a subsidiary of Constellation Software Inc., will be implementing its CIS and billing application, ISB.

The Canton Borough Authority currently serves over 500 water customers. Beech Grove used our UBPro System for billing before moving to the ISB program.

Debra Laskowski said "It was a pleasure working with Sheila during the selection process."

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
