

Press Release

The Village of Ford Heights, IL selects the Harris' UBPro System

The Village of Ford Heights, IL has selected the Harris' UBPro system. Harris, a subsidiary of Constellation Software Inc., will be implementing its CIS and billing application, UBPro.

The Village currently serves over 700 customers.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
