City of Loyalton, CA selects the Harris' inHANCE Small Business

The City of Loyalton, CA has selected the Harris' inHANCE Small Business (ISB) system. Harris, a subsidiary of Constellation Software Inc., will be implementing its CIS and billing application, ISB.

The City of Loyalton currently serves over 450 customers. Loyalton used our UBPro System for billing for several years before moving to the ISB program.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
