

Press Release

Noble Water Company in OH selects the Harris' UBPro System

Noble Water Company has selected the Harris' UBPro system. Harris, a subsidiary of Constellation Software Inc., will be implementing its CIS and billing application, UBPro.

Established in 1976 Noble Water Company is located in Belle Valley, OH and currently serves over 360 water customers.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
