

Press Release

PWSD #3 of Jefferson County MO selects Harris' inHANCE Utility Solutions

Harris Computer Systems (Harris) is pleased to announce that PWSD #3 of Jefferson County MO has selected Harris' inHANCE Utility Solutions, a subsidiary of Constellation Software Inc., to implement its CIS and billing application, IUS.

PWSD #3 of Jefferson County is located in Arnold, MO. They currently serve over 7,000 water customers. During PWSD #3's search for a new billing system they were referred to Harris' inHANCE Division by our current customer PWSD #1 of Jefferson County also located in Arnold, MO. After a detailed evaluation process IUS was selected to replace their current system.

"We are very pleased to welcome PWSD #3 of Jefferson County to the Harris family and we look forward to a long term mutually beneficial relationship serving as their automated technology vendor" said Jim Valis, Sales Manager for the inHANCE division.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
