### **Penn Township Municipal Authority in PA selects the Harris' inHANCE Small Business**

We are pleased to announce that Penn Township Municipal Authority has selected the Harris' inHANCE Small Business (ISB) system. Harris, a subsidiary of Constellation Software Inc., will be implementing its CIS and billing application, ISB.

The Penn Township Municipal Authority currently serves over 500 water and sewer customers. Penn Township, a customer of ours since 1994, used our TAABS II System for billing before moving to the ISB program.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
