

Press Release

Quadvest L.P. purchases iREMOTE for Harris' inHANCE Utility Solutions

Quadvest, L.P. has purchased the iREMOTE module for Harris' inHANCE Utility Solutions. Harris, a subsidiary of Constellation Software Inc., will be installing and implementing the iREMOTE module for the CIS and billing application, IUS.

Quadvest, located outside of Houston, TX and has been a Harris customer since 2007. They currently serve over 5,000 water and sewer customers.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
