

## *Press Release*

### **San Antonio Water Company purchases iWEB for Harris' inHANCE Utility Solutions**

We are pleased to announce that San Antonio Water Company has purchased the iWEB module for Harris' inHANCE Utility Solutions. Harris, a subsidiary of Constellation Software Inc., will be installing and implementing the iWEB module for the CIS and billing application, IUS.

San Antonio Water Company is located in Upland, CA and has been a Harris customer since 2003. They currently serve over 1,000 water and irrigation customers.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
