South Island PSD purchases iWEB for Harris' inHANCE Utility Solutions

We are pleased to announce that South Island PSD has purchased the iWEB module for Harris' inHANCE Utility Solutions. Harris, a subsidiary of Constellation Software Inc., will be installing and implementing the iWEB module for the CIS and billing application, IUS.

South Island PSD is located in Hilton Head Island, SC and has been a Harris customer since 2001. They currently serve over 9,000 water and sewer customers.

South Island PSD is a fine example of the long term relationships we build with our customers. Harris has had the privilege of providing CIS and Utility Billing software to South Island PSD for over 8 years and we look forward to many more years working with South Island to meet all of their billing needs.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
