

Press Release

The Stryker Lake Water Suppliers of New Summerfield, TX selects the Harris' UBPro System

The Stryker Lake Water Suppliers has selected the Harris' UBPro system. Harris, a subsidiary of Constellation Software Inc., will be implementing its CIS and billing application, UBPro.

Stryker Lake Water Suppliers currently serves over 300 customers and bills for water. They are using the UBPro Work Order module also.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
